

COOKBOOK RAFFLE

How to Cook Everything
Vegetarian

by Mark Bittman

Ten years ago, this breakthrough cookbook made vegetarian cooking accessible to everyone. Today, the issues surrounding a plant-based diet - health, sustainability and ethics - continue to resonate with more and more Americans, whether or not they're fully vegetarian. This new edition has been completely reviewed and revised to stay relevant to today's cooks: New recipes include more vegan options and a new chapter on smoothies, teas and more. Charts, variations and other key information have been updated. And, new for this edition, the recipes are showcased in full-color photos.
