## The Taste of Country Cooking

by Edna Lewis

In recipes and reminiscences equally delicious, Edna Lewis celebrated the uniquely American country cooking she grew up with in a small Virginia Piedmont farming community that had been settled by freed slaves. With menus for the four seasons, she shared the ways her family prepared and enjoyed food, savoring the delights of each special time of year.

This book by Lewis, who died in 2006, shows us precisely how to recover, in our own country or city or suburban kitchens, the taste of the fresh, good, natural country cooking that was so happy a part of her girlhood in Freetown, Virginia.
