

DID YOU KNOW?

NATIONAL MINORITY DONOR AWARENESS MONTH

August is National Minority Donor Awareness Month. NMDAM helps address concerns and raise awareness of the importance of organ donation among communities of color, which make up 60% of the more than 100,000 people on the national transplant waitlist. NMDAM is also a time to honor the multicultural heroes who made up more than 30% of living and deceased organ donors last year.
