## Vegetables Unleashed: A Cookbook

by José Andrés and Matt Goulding

Showing us how to creatively transpose the flavors of a global pantry onto the produce aisle, “Vegetables Unleashed” showcases Jose Andrés’ wide-ranging vision and borderless cooking style.

With recipes highlighting everything from the simple wonders of a humble lentil stew to the endless variations on the classic Spanish gazpacho, “Vegetables Unleashed” gives us the recipes and tips behind the dishes that have made Andrés one of America’s most important chefs.
